

TEMPO

Tredyffrin Easttown Music Parents Organization

August 2022

Dear Sir/Madam:

On November 5, 2022, Conestoga High School (CHS) will host the 12th Annual 'STOGA Showcase of Sound Cavalcade. At this event, bands travel from across the state to perform and compete. The annual Cavalcade is one of the largest events at Conestoga, and is a tremendous opportunity for our students. It also serves as the largest annual fundraiser for TEMPO (Tredyffrin Easttown Music Parents Organization).

TEMPO was formed over 25 years ago to support music activities in our school district through financial and volunteer contributions. The primary mission of TEMPO is to support music programs throughout the TE School District. TEMPO plans and provides the means to fund programs, activities, and trips for music students not paid for by the district. TEMPO's primary goals are to provide the resources and opportunities to encourage and challenge students musically and to add to the enjoyment of the music program through large group participation such as concerts and half-time performances during football games. We encourage participation in competitions, parades, and trips for formal recognition of CHS music groups.

We would like to ask for your support by considering sponsoring the event or purchasing an ad in the program book. Attached/enclosed please find sponsorship and ad forms outlining the various benefits and levels of support.

Thank you in advance for your consideration and support. Please do not hesitate to contact me if you have any questions regarding the event.

Sincerely,

Bonnie
